

## **Leadership Links 2008 has been Launched!**

Every Collaborative practitioner gets it. Changing the way in which conflict is resolved throughout the world requires an enormous personal commitment. We know that your personal commitment to the Collaborative movement takes many forms, from educating the public to volunteer hours devoted to your local practice groups and IACP.

As a 501(C) 3 non-profit, IACP relies upon the Collaborative community to enable us to do the work we do in supporting emerging communities, Collaborative practitioners and practice groups throughout the world. Your personal commitment to the vision we share is what makes this all possible.

This year, we ask that you consider demonstrating your personal commitment by way of an **investment** in the future of Collaborative Practice. Our 2008 Annual Fund Campaign is well under way with close to \$40,000 contributed so far this year from our Leadership Links. For those of you new to our community, **Leadership Links**— those who make donations of \$1,000 or more to our Annual Fund Campaign—are leaders who inspire others, who lead the way by creating the global connections that will allow us to realize our shared vision. Their generous contributions make an enormous difference in our ability to bring Collaborative Practice to communities throughout the world.

**We invite each of you to become a *Leadership Link* by making a contribution of \$1,000 to our 2008 Annual Fund Campaign. On Thursday, October 16, just prior to the opening of our 9<sup>th</sup> Annual Networking and Educational Forum in New Orleans, we will be hosting a private reception to honor and thank our 2008 Leadership Links. Each donor will receive a very special token of our appreciation that we hope will be worn with pride throughout this year's Forum and in years to come.**
