

The Local Host Committee for the 2019 IACP Chicago Forum is hard at work, and is searching for volunteers to help make the 2019 Chicago Forum the greatest Forum ever! There is a subcommittee for everyone. We are seeking committee members not just from Illinois, but from the surrounding states and Canadian provinces. The more the merrier! This committee is meant as an opportunity to strengthen regional networks, as well as to make the Forum the best it can be for everyone in the region and around the world.

Subcommittee options include:

- The **Sponsorship Subcommittee** will help with reaching out to local sponsors to keep the cost of the Forum as low as possible for everyone. The chair is Erinn Hannigan of Ohio, meeting times TBA.
- The **Local Experts Subcommittee** primarily for those very familiar with Chicago, to help us with identifying local restaurants, bands, and activities for vacationing families. Co-chairs are Sandra Crawford and Anique Drouin of Illinois, and they will meet via Zoom on the third Tuesday of each month at 4 pm CT.
- The **CEU/CLE Subcommittee** will be working to obtain continuing education credits for as many professions and jurisdictions as possible. This will be a fairly independent committee, as each member will be committing to submit an application for credit for their own jurisdiction/profession. We are still particularly seeking someone who can get MHP CEU's in Illinois, someone who can secure APA CEU's, and a Financial Professional from Illinois. If you want to be sure that the Forum offers credit in your jurisdiction, volunteering for this subcommittee is a great way to make that happen! The chair is Jessica Malmquist of Illinois.
- Or if you don't have time for a subcommittee, you can sign up to be an **Ambassador**, and reach out to our members around the World to inform them of Forum events and to create a connection for members when they come to Chicago in October.

If you are interested in joining the fun and helping to make the 20th Anniversary Forum the best ever, just email info@collaborativepractice.com, and let us know which subcommittee you want to volunteer for.
