

IACP Collaborative Review: Copyright Assignment Form

Author's Name: _____

Author's Address: _____

Author's Email Address: _____

Title of Article: _____

Names of all authors in the order in which they appear in the Article: _____

To enable IACP and the Collaborative Review (the "Collaborative Review") to publish your Article in the Collaborative Review, the ownership of copyright must be established. The Article is deemed to include all material submitted for publication with the exception of Letters, and includes text, figures, tables, author contact details and all supplementary material accompanying the Article.

Please read this form carefully, sign at the bottom and return the ORIGINAL to the address below as quickly as possible.

Your Article will not be published unless a Copyright Assignment Form has been signed and received by the Collaborative Review.

Please note: You retain the following rights to re-use the Article, as long as you do not sell or reproduce the Article or any part of it for commercial purposes (i.e. for monetary gain on your own account or on that of a third party, or for indirect financial gain by a commercial entity). These rights apply without needing to seek permission from the Collaborative Review.

- **Prior to acceptance:** We ask that as part of the publishing process you acknowledge that the Article has been submitted to the Review. You will not prejudice acceptance if you use the unpublished Article, in form and content as submitted for publication in the Review, in the following ways:
 - ▶ sharing print or electronic copies of the Article with colleagues;
 - ▶ posting an electronic version of the Article on your own personal website, on your employer's website/repository and on free public servers in your subject area.

- **After acceptance:** *Provided that you give appropriate acknowledgment to IACP and the Collaborative Review and full biographic reference for the Article when it is published*, you may use the accepted version of the Article as originally submitted for publication in the Collaborative Review, and updated to include any amendments made after peer review, in the following ways:
 - ▶ you may share print or electronic copies of the Article with colleagues;
 - ▶ you may use all or part of the Article, without revision or modification, in personal compilations or other publications of your own work;
 - ▶ you may use the Article within your employer's institution or company for educational purposes, including use in course packs;
 - ▶ you may include the Article in your own training materials and course materials;
 - ▶ you may post an electronic version of the Article on your own personal website, on your employer's website/repository and on free public servers in your subject area.

All requests by third parties to re-use the Article in whole or in part will be handled by the Collaborative Review. Any permission fees will be retained by the Review. All requests to adapt substantial parts of the Article in another publication will be subject to your approval (which is deemed to be given if we have not heard from you within 4 weeks of your approval being sought by us in writing to you or by email to you at your last notified address or email address). Please address any queries to the editor of the Collaborative Review.

In signing this Agreement:

1. You hereby warrant that this Article is an original work, has not been published before and is not being considered for publication elsewhere in its final form either in printed or electronic form;
2. You hereby warrant that you have obtained permission from the copyright holder to reproduce in the Article (in all media including print and electronic form) material not owned by you, and that you have acknowledged the source;
3. You hereby warrant that this Article contains no violation of any existing copyright or other third party right and that to the best of your knowledge this Article does not infringe the rights of others;
4. You hereby warrant that in the case of a multi-authored Article you have obtained, in writing, authorization to enter into this Agreement on their behalf and that all co-authors have read and agreed to the terms of this Agreement and you have obtained each of their signatures on this Agreement;
5. You will indemnify and keep indemnified the editor, the IACP Board and the Collaborative Review against all claims and expenses (including legal costs and expenses) arising from any breach of this warranty and the other warranties on your behalf in this Agreement.

By signing this Agreement, you agree that the Collaborative Review may arrange for the Article to be published in the Collaborative Review, and sold or distributed, on its own,

or with other related material, and be reproduced and/or distributed throughout the world in printed, electronic or any other medium whether now known or hereafter devised, in all languages, and to authorize third parties (including Reproduction Rights Organizations) to do the same.

You authorize the Collaborative Review to act on your behalf to defend the copyright in the Article if anyone should infringe it, although there is no obligation on the Collaborative Review to act in this way.

The Collaborative Review undertakes that every copy of the Article published by the Collaborative Review will include the full bibliographic reference for your Article, together with the copyright statement.

I hereby assign to IACP and the Collaborative Review copyright of the Article throughout the world in any form and in all languages.
