

A Perspective on Relationships using the Enneagram

Enneagram Type	What they are looking for in a relationship	The gift that they bring to the relationship	What do they insist on that is sabotaging the relationship?	What do they do that is making it difficult for others?	The main thing that is missing
1	Common goals and values, equality, fairness, integrity, security.	responsibility	Being righteous on the expense of the relationships.	Constant criticism "correction of the other", creating guilt in the partner	lightness
2	Emotional connection, warmth, affection	support	"Exclusivity" and constant closeness	Finding the needs and desires of the other and creating dependency	Emotional independence
3	Social connection, admiration, attraction	Realization of joint projects	Career and social status at the expense of relationships	The constant desire to impress and win "points of credit"	Free time

Enneagram Type	What they are looking for in a relationship	The gift that they bring to the relationship	What do they insist on that is sabotaging the relationship?	What do they do that is making it difficult for others?	The main thing that is missing
4	Communication, understanding, listening, acceptance, depth, emotional honesty	Sensitivity and understanding	Satisfying all his emotional needs immediately	A tendency to moodiness, excessive sensitivity that causes others to "walk on eggs"	Balance
5	Curiosity, intellectual stimulation, space, independence, close contact but not suffocating.	Discretion	Personal space and lack of intervention or interference.	Too much preoccupation with ideas and projects. Emotional disengagement	communication
6	Commitment, reliability, shared values, stability.	partnership	Creating doubts and hesitation	Examining the obligations of others to them all the time.	Trust

Enneagram Type	What they are looking for in a relationship	The gift that they bring to the relationship	What do they insist on that is sabotaging the relationship?	What do they do that is making it difficult for others?	The main thing that is missing
7	Interest, stimuli, joy, adventure, excitement, diversification	Interest and innovation	Freedom, rejection of commitment	Requires that others will satisfy their desires immediately	Patience
8	Loyalty, reliability, power, passion, sexual orientation.	Power and security	Control of others	Requires others to obey them and do what they say.	Sensitivity
9	Harmony, peace, comfort, stability.	Acceptance	Ignoring problems and delaying action	"Choking out" Can be looked as Passive-aggressive behavior	Position
