

CEUs for Mental Health Professionals

The following is a partial list of organizations that have been authorized to give continuing education credits for training Sharon Strand Ellison has provided on *Powerful Non-Defensive Communication*. The list indicates the states where licensing boards have authorized credit, such as California, Louisiana, Maryland, Minnesota, Illinois, Oregon, Pennsylvania, and Texas. CEUs provided to MFTs, and LCSWs, and school psychologists are indicated with a * by the organization or event. Two ** indicates that credit was authorized for psychologists, as well. In other cases, trainings were “in house” and credit not given.
